

THERE IS A HAUNTED HOUSE IN TOWN

Traditional
Anonymous Alternate Lyric

There is a haun-ted house in town, in the town, Where all the

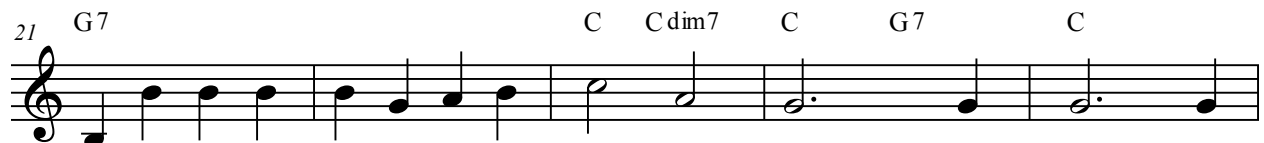

walls are tumb-ling down, tumb-ling down, — Where the cob - webs hang and the

win - dow shut - ters bang, And all the crea-tures ga - ther round.

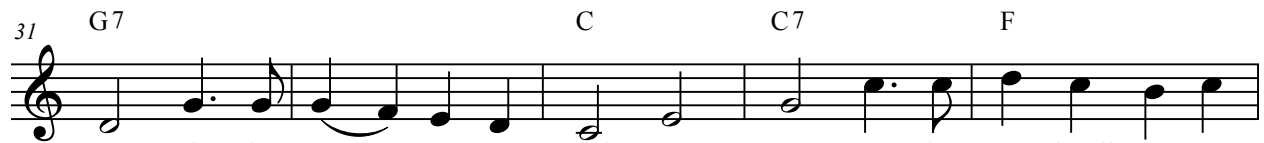

All the bats and cats and witch-es keep the skel - e - tons in stich-es as they

sip their spi - der ci - der in the haun - ted house. They're there, they're

there, they're real - ly there, yes they're there. Watch out, be care-ful and be -

ware, oh, be - ware — Don't go 'trick or treat' or it's you they'll want to

eat, When the moon shines on the haun - ted house. _____
