Two   by   two   in - to   the   Ark,
Two   by   two   tossed   in   the   boat,
Two   by   two   in - to   the   light,

② C   D

Two   by   two   in - to   the   dark,
Two   by   two,   will   it   still   float?
Two   by   two,   out   of   the   night,

③ C   D

Two   by   two,   so   faith - ful - ly,
Two   by   two   waves   crash   and   roll,
Two   by   two,   so   faith - ful - ly,

④ C   D

Up   went the door   and   then   up   went the   sea.
Beat   like   a   drum   on   the   Ark that's so   full.
Great - ing   the   rain - bow,   God's   pro - mise   to   me.
